

Your one stop platform for Overseas Education

Who are we?

Edudha is a customer driven platform designed to help students and their parents streamline their overseas education efforts in an efficient and transparent manner.

Why choose Edudha?

In a fragmented overseas education counselling environment, researching information and reliable service is challenging and effort intensive. Edudha helps students and parents access a curated list of service providers and counsellors to help along all points of the application process.

What services do we provide?

Counselling

Access to a curated list of verified counsellors to help you choose the right university and program. Choose between online and face to face counselling

Test Prep

Be prepared for the necessary standardised testing under the guidance of verified training professionals

Financing

Understand and plan the financing of your international education with the help of our financial advising partners.

Application and Admission

Personalised guidance and mentorship when filling out applications in order to maximise application success rate.

Visa and Ticketing

Gain access to verified agents to help you with Visa, Ticketing and guidance on what to expect on arrival.

Community Access

Exclusive access to a community of like minded, ambitious individuals pursuing their dreams across the globe.
