*Terms and conditions apply

Consultation

Link up with our experienced and globalized team by first booking a free consultation. Ask us all your burning questions, diving into our team's extensive knowledge of the institutions that we represent.

Eligibility Assessment

Working closely with our admissions team, the eligibility assessment gives our students a clearer indication of their chances of successful admission into schools and programs that they are interested in.

Document Prep

Tap on our team's experience in putting together a successful university application. Boost your chance of admission as we guide you through personal statement, study plans, department interviews, CV/resume revamp, and apostillization.

Application

Your personal Study Abroad Consultant will assist you in keeping track of your application timeline - relieving students of the unnecessary stress and burden of missing important deadlines.

COVID-19 Advisory

Find comfort in our team as we manage all aspects of covid-specific measures (ie. quarantine, VISA arrangements, university adjustments, etc.)

Accommodation

Flying Chalks has a wide network of partnerships with various housing facilities, ranging from international student housing to private apartments. Count on us to help you find and book your desired accommodation!

Arrival

Once a student has disembarked on their journey, the Flying Chalks support team stands ready to anticipate the needs of our students, to assist you in any emergencies during your transition. Reach out to our active student communities all around the globe to seek support, advice, and guidance!

Study VISA

After receiving your Letter of Offer, our team will guide you through the steps of obtaining a Study VISA and Alien Registration Card.
